Pastor's Corner

A word from Pastor Tom.....

Greetings church family,

It's Advent and Holiday season and a truly wonderful time of year.

Jeremy has got about a third of the parking lot striped already and Jordan Crossing has been working hard to clean and weed our property. They've also started doing the janitorial services.

Ev and I also want to thank you all for your kindness and generosity on pastor appreciation day.

I was asked to share my goals for next year and thought I would let you in on what I came up with. They are as follows:

2026 Pastoral Goals

- 1. Continue to preach the Gospel and promote prayer in a loving and applicable manner in order to foster Love, Peace, and Faith in all that we do as a church family and as individuals in our daily walk.**
- 2. Prioritize ministry effectiveness of our newly formed merger of services between our Hmong and English Congregants.**
- 3. Foster our new relationship with Jordan Crossing in order to reach the unchurched children in our area for Christ through their day care ministry as they help us with Landscaping, maintenance, and Janitorial needs.**
- 4. Above all continue to promote and practice our UMC mission statement which is:**

**MAKING DISCIPLES OF JESUS CHRIST FOR THE
TRANSFORMATION OF THE WORLD.**

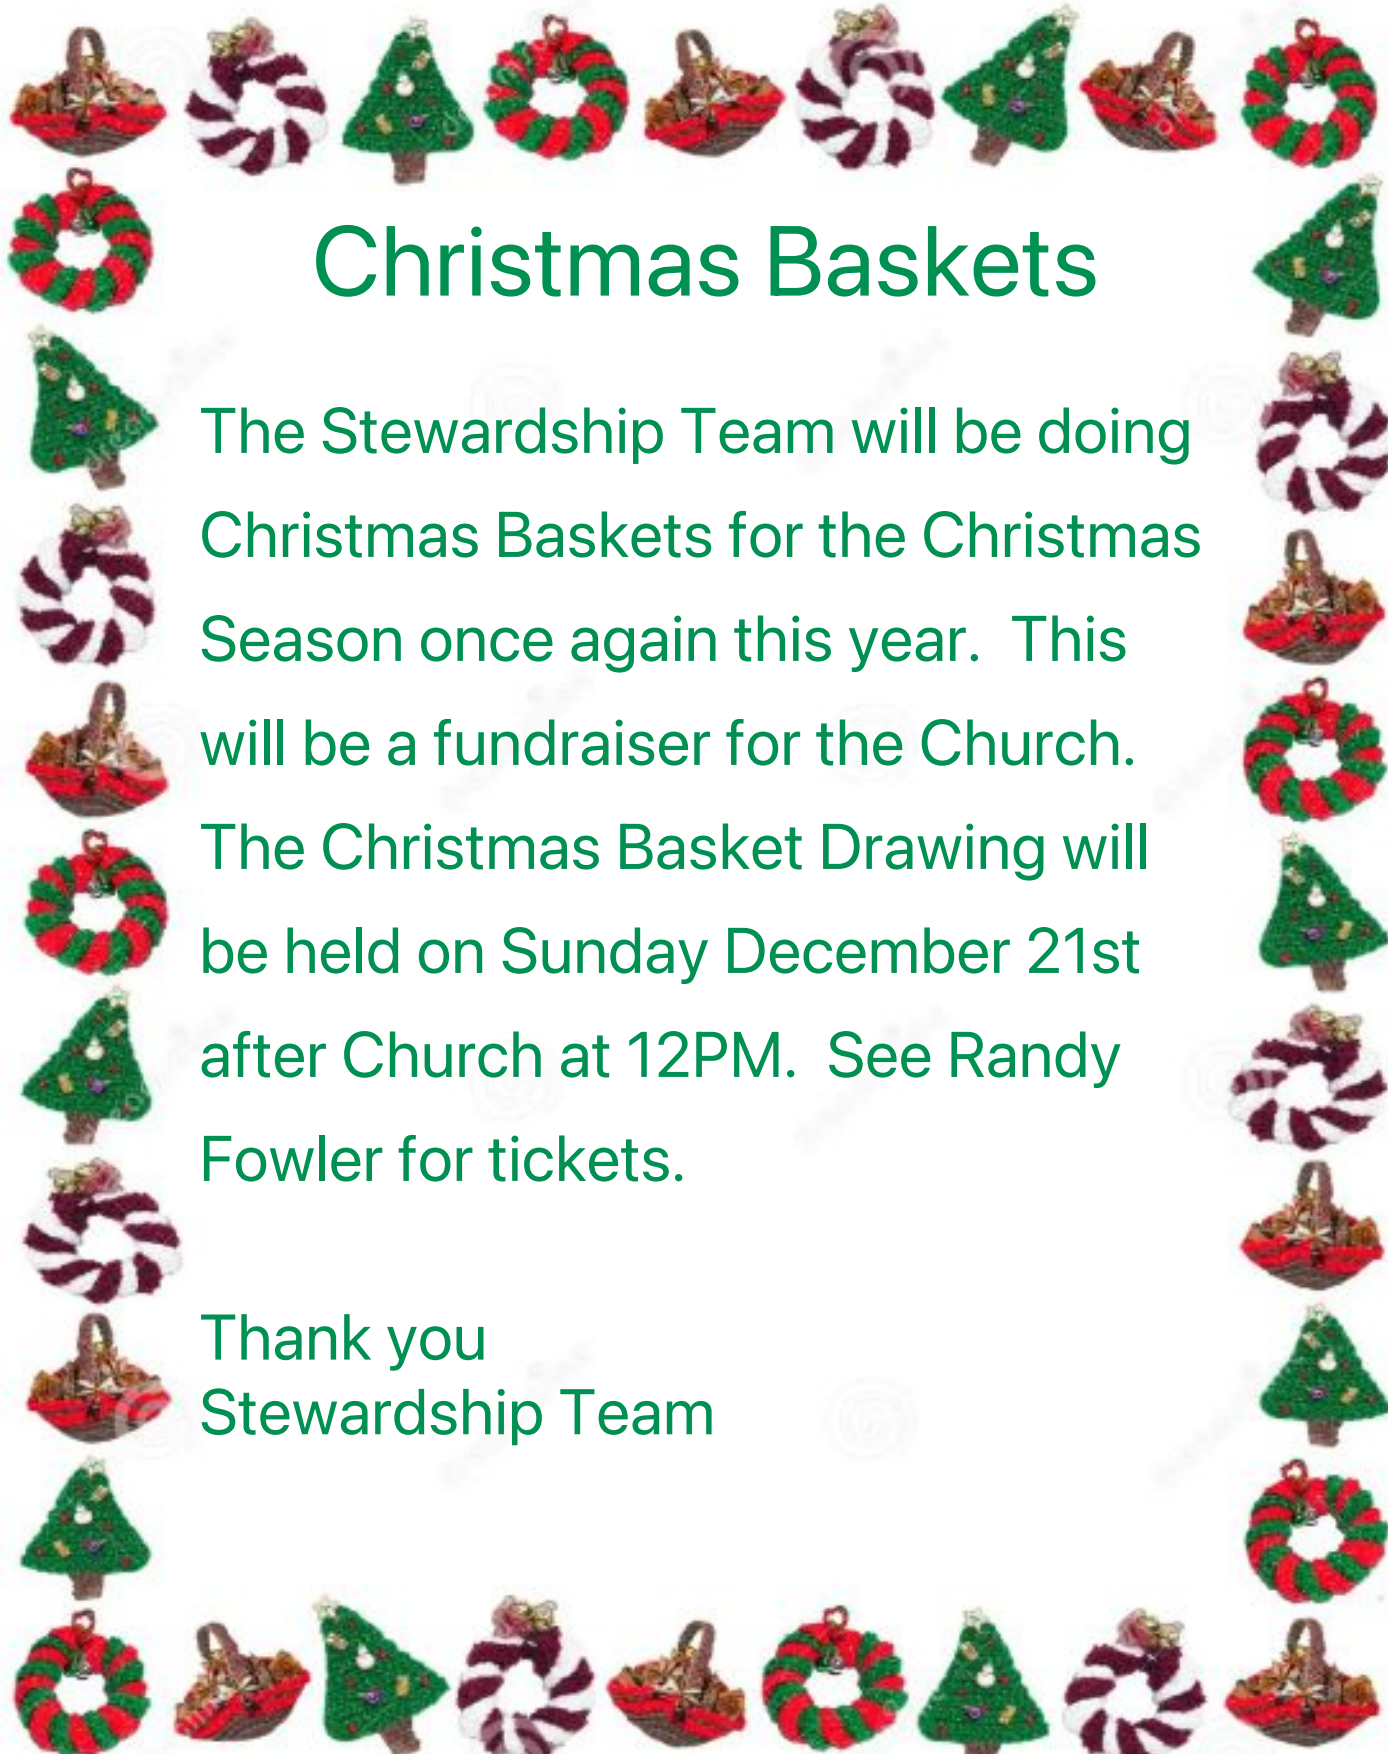

**God Bless you and yours,
Pastor Tom and Evelyn Cota**

OROVILLE, Calif. - Thousands of people descended on Oroville this weekend for the Oroville Hmong New Year Festival at the Nelson Sports Park.

The annual event draws people from up and down California and from as far away as Michigan and North Carolina.

Booths offered toys and traditional clothing.

Hmong food was also a main attraction with barbeque pits and bubble tea.

Many in attendance also donned traditional garb for the biggest Hmong New Year celebration north of Sacramento.

Hmong people first started coming to the U.S. in 1975 and events like this help to keep their culture alive and strong.

"For 38 years we have still maintained our culture and our annual celebration without letting it go," said Ted Vang with the Oroville Hmong New Year Festival. "And us, the younger generation like myself who are serving our community throughout California, want to be sure that we keep the traditional for a long long time and at the same time learn and adapt to the American culture."

Vang also says that everyone, young and old, prepares throughout the year for the new year celebration, because it's so important to the community.

The event has become a huge money maker for the City of Oroville as well, packing hotels and stimulating business.

For that reason, city leaders have reduced the cost of renting out the Nelson Sports Park, and have helped in other ways as well.

All proceeds from the festival go back to the Hmong community in Butte County.

Alarming Info

Just a friendly little nudge! If you accidentally trigger the alarm at church, make sure to ring the number on that handy paper next to the alarm panel and give Accularm a heads-up that you're at church and hit the panic button. If the alarm goes off and no one calls, Accularm starts dialing up our church crew to spread the alarm news. Lately, our heroes Jim Webster or Micah Buis have been on the scene to save the day and check things out, so we don't end up footing the bill for a police visit to a non-emergency. Let's keep it smooth and simple!

CHURCH WINDOW

Recently Doug Krause shared a bit of history with John and I that we want to pass on to all of you. It is in regards to the beautiful stained glass window that is in the north end of the social hall. This is a verbatim account of what Doug stated in writing.

The following is word for word from the history of George C. Perkins: Perkins gave the inspiring Christ window to the Methodist congregation when its members built a new church at the corner of Robinson and Lincoln Streets in 1910.

A portion of the window is now ensconced in the social hall of the new church which is located on Acacia Avenue.

I asked Doug about the reference to a “portion of the window”. He said he believed it had been wider with more scenery. We speculated that, perhaps, part of the window had gotten damaged or broken in the moving process.

We truly appreciate Doug sharing this information with us. If anyone can shed further light on the matter, please let us know.

News and Announcements

1. We are looking for people to help serve during coffee hour or greet people entering our church. There is a sign up sheet in the back that you can sign up with or you can see Alma Short for more information.
2. We are still collecting recyclables for the Heifer project. You can bring them to church and give to Micah or Jeremy Buis. See the Golden Feather for more info on the recycling.
3. Church alarm if you accidentally set off the alarm please call Accularm right away to notify them that it was an accidental alarm. The number to call is next to each alarm panel.
4. When turning on the thermostats in the Social Hall make sure "fan" is set to "auto" and not "on". Also if the heater or air conditioner is on please do leave exterior doors open. We do not have the finances to cool the outside world in the summer or heat it in the winter. Let's stick to just keeping the social hall cool or warm when it's being used.

WORSHIP COMMITTEE

WORSHIP COUNCIL MEETING, March 26, 2025 at 5:30 pm

Pastor Tom started our meeting with Prayer.

PRESENT at the meeting were: Janet Short, Micah Buis, Jeremy Buis, Erin Buis, Alma Short, Pastor Tom Cota and Evelyn Cota.

Note received from Tracy Yang that she was sick and she was unable to be at the meeting. There were no previous Minutes.

NEW BUSINESS:

PALM SUNDAY: 4/13. Janet has the Plastic Palm branches that she will hand out to the kids and adults for a procession down the middle aisle of the church. Pastor will choose some procession songs that he likes and will get in touch with Joline and Patty.

MAUNDY THURSDAY: 4/17. There will not be a service that night.

GOOD FRIDAY SERVICE: 4/18, is at the Congregational Church at noon, and is done by CCCO pastors. Pastor Tom will attend and will be part of the Service if they need him.

EASTER SUNDAY: 4/20. there will not be a Sunrise Service. Janet will coordinate the flowers for the cross. Each person can go to the cross and add a flower and then go to the back of the line for the next flower. This procedure will make the flowering much faster.

FLOWERING THE CROSS FOR EASTER: Members shall bring flowers from church to cover the cross. There will be receptacles for the flowers up by the cross.

EASTER EGG HUNT: the Easter Egg Hunt will be as usual after the Service. Please bring plastic or real eggs before that morning to be used when the eggs are hidden for the Hunt.

COMMUNION SUNDAY: There have been requests to move Communion back to the first Sunday of the Month. Decision made by this committee to have Communion on the first Sunday of each month. The second Sunday will be our Potluck after Church Service.

COFFEE HOUR AND GREETERS: there is no problem getting Greeters but the Coffee Hour is getting too expensive. A decision was made that we just offer coffee, punch, water, and cookies. Patty Bell, Jim Webster, and Linda Herrick have offered to bring cookies for Sundays. Just let them know. They are unable to do the set up and clean up but will bring what is needed as food.

CHILDREN'S MESSAGE: If you would like to do a Children's Message. Let Chamee know. We are all pleased that this is back in our Service

Pastor Tom is loving the translations being done by our Hmong members during the Service. He would like to change our response during the prayer time from the congregation. To make that time smoother we will say "God is Good all the time", only one time at the end of all of our Prayers.

We talked about Bible School. CCCO is talking about one with our cooperating churches. We may be part of it. Wait and see.

There was not another meeting date set. If you feel a need of one let Pastor Tom know.
Respectfully Submitted by Alma Short

1. We need to take the caps off the plastic bottles
2. We need to bag plastic, aluminum, and glass separately.
3. **Glass can include wine bottles.**
4. Everything must have CA CRV on it.
5. You can drop them off at church or at Nonie & Micah's house on the carport.
6. Call Micah at (530) 533-1868 and he will meet you in his driveway when you arrive.

I am so glad not to lose this project that we have been supporting for so many years. How exciting it always was to find out how much money we had collected for the year and then what animal we could buy for a family overseas. Thank you Jeremy and Micah for taking it on.

Alma

If we don't answer when you call just place your recycling next to our garbage bins. Please no milk jugs. Micah and family

RECYCLING MISCONCEPTIONS

STYROFOAM PRODUCTS are **not** recyclable in curbside recycling programs. Foam products can be bulky, lightweight, and easily contaminated with food, tape, and other residues that don't belong in recycling carts.

PLASTIC BAGS AND FILM are **not** accepted in most curbside recycling programs. This is because they can tangle sorting machinery and are made with materials that cannot be easily separated. Instead, take these items to designated drop-off points at grocery stores or reuse them whenever possible to reduce waste.

SINGLE-USE PLASTICS, also known as disposable plastics, are **not** accepted in your recycling cart. When possible, swap them for reusable options.

2025-26 Holiday Collection Schedule

If your regular collection day falls on Thanksgiving Day, Christmas Day, or New Year's Day, your service will be delayed by one day.

SUSTAINABLE CHEER

Holiday composting tips

PUMPKIN POWER: Nearly 1 billion pounds of pumpkins are tossed in landfills each year. Put your jack-o'-lantern into your green organics cart after removing any candles, wax, glitter, or paint.

LEFTOVERS WITH A PURPOSE: Over 200 million pounds of turkey are thrown out after Thanksgiving. Toss turkey bones, plate scrapings, and meat past its prime in the green cart.

CORNUCOPIA OF COMPOST: Corn cobs, pie crust trimmings, coffee grounds, used paper napkins, and all sorts of kitchen scraps can go into your organics cart — talk about a second helping!

PERFECT MIX: Putting yard trimmings and fallen leaves into your organics cart creates a great seasonal compost recipe.

MAINTAINING YOUR ORGANICS CONTAINERS

KEEPING YOUR GREEN CART CLEAN

Maggots are fly larvae and occur when flies lay eggs on organic materials. This can occur in any cart where organic materials are placed (garbage or organics cart).

Maggots typically have a seven-day life cycle with fluctuations depending on temperatures and other conditions such as moisture.

To prevent maggots from occurring, eliminate odors, and reduce their access to the cart follow these tips:

- Wrap your meat food scraps and bones in a sheet of newspaper before placing them in your green organics cart.
- Freeze your seafood or meat scraps until the day prior to your collection day.
- Put a layer of yard trimmings, food-soiled paper (napkins or paper towels), or baking soda on top of your food scraps.
- Rinse your organics cart with a mild detergent and water.
- Keep the cart lid closed.
- Spray the rim of the cart with bleach, ammonia, or bug spray weekly.

MAGGOTS IN YOUR GREEN ORGANICS CART?

If you end up with maggots in your green organics cart, the following can help:

- Spray the top and inside of the cart with vinegar.
- Cover the maggots with lime, salt, or vinegar.

HOW TO MINIMIZE ODORS

If you would like to minimize odors from your green cart, the following can help:

- Mix food scraps with materials that are dry and absorbent (and also organic) such as plant debris, shredded bills and sensitive documents, and paper napkins or towels. Sprinkling baking soda in the cart can help for smaller amounts of food scraps too.
- Store your cart in a cooler, shady area so the heat doesn't increase the decomposition (and smell) of the contents of the cart.

HOW TO CLEAN YOUR GREEN ORGANICS CART

If you need to clean your green organics cart, do not use soap and other "cleaners" that could damage local ecosystems. Instead use natural methods and ingredients such as:

- Leave the cart lid open on a rainy day or rinse out the cart with a hose. Make sure to dump the used water and organics debris in landscaping (not into the storm drain).
- Try lime or lemon, baking soda, and vinegar inside the cart to clean and scrub away odors.

DO NOT RECYCLE OR COMPOST THESE ITEMS

These items are often mistakenly put in the recycling bin. Placing them in the compost or recycling container is a contamination violation.

1. All plastic bags, packaging, utensils, and straws are garbage. Even if they have a "recycling symbol" on them they are not recyclable.
2. Polystyrene packaging, cups, plates, block, or to-go containers are not allowed in the recycle or organic cart.
3. Clothes/textiles cannot be recycled in your recycling cart. They can be recycled/down-cycled by donating them to a non profit.

Batteries are hazardous waste and can cause a fire in our trucks and/or the processing facility if disposed of incorrectly. You can dispose of batteries at most home improvement stores or visit the Hazardous Waste Facility at the Recology Transfer Station at 2720 South Fifth Avenue, in Oroville, Monday to Friday 8 AM to 4 PM and Saturday 8 AM to 4:30 PM. For more information, please see our website, Recology.com.

FREE MATTRESS DROP OFF

Residents can drop off up to 3 mattresses and/or box springs free of charge all year long at the Recology Transfer Station at 2720 South Fifth Avenue, in Oroville, Monday to Friday 8 AM to 4 PM and Saturday 8 AM to 4:30 PM.

BENEFITS OF COMPOSTING

Composting is nature's way of recycling and is one of the most powerful actions we can take to reduce landfill waste, combat climate change, and build healthy soil. It supports the environment by:

- **Reducing methane emissions:** Composting organic waste lowers methane output from landfills.
- **Decreasing waste:** Diverts organic material from landfills.
- **Recycling nutrients:** Compost transforms organic waste into nutrient-rich soil.

Using compost in your backyard, local farms, schools, parks, and other green spaces replenishes the soil with essential organic matter.

HOW TO PREPARE FOOD SCRAPS FOR COLLECTION

1. Collect food scraps while preparing meals, scraping plates, and/or cleaning out the refrigerator of spoiled food. Include paper towels, napkins, paper plates, and pizza boxes (make sure to dispose of any plastic in the garbage).

2. Empty your kitchen compost pail, including soiled paper, and any vegetative waste into your green compost cart. No plastic bags are allowed in the green compost cart.

3. We'll take it from here! We haul your compost to a local facility and within 60 days, it is made into rich compost that is used throughout the community and beyond to help regenerate the soil.

FREE INDOOR FOOD SCRAP PAILS

Free indoor compost pails are available to Oroville residents (one per household) for the collection of food scraps in your kitchen. Please contact City of Oroville at recycle@cityoforoville.org to request a pail.

1ST UNITED METHODIST CHURCH OF OROVILLE

COFFEE HOUR

POLICIES AND PROCEDURES

A coffee hour is provided after the 10:30 AM service by volunteers of the church.

The church will provide coffee, tea, water, creamer, sweeteners, cups, plates, napkins, silverware, drink concentrate and ice.

Those who volunteer for running the coffee hour will provide snacks and those who volunteer on the first Sundays will provide cupcakes for that month's birthdays.

Those who volunteer on potluck Sunday only need to provide the beverages but are welcome to bring snacks to add to the potluck.

Volunteers will make the coffee, tea, and punch and set it out on the table provided along with snacks.

Please make both Reg (Black coffee maker) & Decaf (gray coffee maker). Some members can't have the caffeine. Coffee maker instructions on cabinet above coffee makers.

Volunteers will remove all items, clean up the dishes and table, and place items used in their normal storage areas. They will also wash towels used and bring them back to the church towel drawer.

Procedure:

Randy Fowler will purchase the provided items listed above and place these supplies in their appropriate areas for coffee hour access.

Alma Short will set up a sign up sheet for volunteers to run the coffee hour on each Sunday throughout the year, remind volunteers of their designated coffee hour Sunday, and orient new volunteers on the policies and procedures regarding coffee hour responsibilities including where supplies are kept.

Volunteers on their designated coffee hour Sunday will:

- A. Make a pot of regular and decaf coffee and put them on an activated warmer plate.
- B. Make the punch in a punch bowl or glass pitchers (whichever is easier for you) with water and ice, and place it on the serving table.
- C. Place the plates, cups, napkins, silverware, creamer, and sweeteners on the serving table.
- D. Place their snacks on plates on the serving table with appropriate serving utensils.
- E. Monitor the table as people come through the serving line and assist as needed.
- F. After serving is completed clean the coffee pots, punch bowl, and other utensils and dishes used for the coffee hour and return them to their storage areas.
- G. Turn off the coffee maker. Unplug and put away warmer plates (once cooled down).
- H. Clean the Serving table and counters used.
- I. Notify person in charge of purchasing what coffee hour supplies need to be replenished after checking the cabinets in the janitorial room, pantry by the handicap bathroom or the cabinets in the handicap bathroom hallway.

Mobile App for our Church

We now have a mobile app for our local church. There are still items being added to it and suggestions are welcome (there's a spot on the app for suggestions). One thing about this app is you have to close it after use to be able to see any new info on the app. iPhone's you swipe up from the bottom then swipe the app screen towards the top. I believe the other phones are similar in closing apps. You can also access the online church directory from this app.

SUBMITTING ITEMS TO THE GOLDEN FEATHER

An article can be submitted to the Golden Feather in many ways.

Here are a few: in the body of an email and sent to orovilleumc45@gmail.com a picture in jpeg form and emailed to address above written on a piece of paper and left in the office for Jeremy Buis if more information concerning your article please include the link.

All articles must be submitted on or before the third Sunday of the month. Any questions please check with Jeremy Buis. He will be happy to help you.

SHOWING VIDEOS AT CHURCH

There has been a form submitted so we will be able to show videos on the church site. If this form was not submitted there would be a strong fine for showing videos without the form.

By having this form, we could show family films during the summer with a BBQ or just popcorn. Admission would be by donation. Go to cvli.com to see the list of movies available.

FAMILY MOVIE NIGHTS!!

Please let Jeremy Buis or Tracy Yang know what days and times you would like movie nights.

Prayer Chain

If you would like to be put on the email or phone list to be informed of Prayer Chain requests for prayers please let Sue Fredericksen know (530) 854-3599.

You may also send an email to oroumcprayer@gmail.com new additional prayer line <https://www.facebook.com/groups/1stumcoro/>

(Facebook group is a closed group so only members see postings)

Flowers on the Altar

The flower calendar is located as you enter the church on the bulletin board. If you have a special event or someone you would like to honor or remember by bringing flowers for the altar please sign up on the date and your name. The information regarding who or what you are bringing flowers for can be printed in the bulletin if you let Janet or Jeremy know prior to the Sunday you are bringing flowers. Remember you do not have to purchase flowers. Something from your yard is always nice. It's always lovely to see flowers on the altar so I hope you will consider bringing some for a special occasion.

HELLO

my name is

Please
remember to
wear your name
tag on Sunday.

With new people attending our church name tags are the best way to help everyone remember names. If you're in need of a new name tag or need yours replaced see Jeremy Buis (guy in the sound booth).
