### UPDATE ON HOW OUR SHARE CARDS ARE DOING AS A FUNDRAISER FOR OUR CHURCH BUDGET

Our share cards at Food Maxx and Raley's are a good fundraiser for our church general fund. In January 2017 our Food Maxx share cards made \$119.31 and in February 2017 \$62.28. Year to date they have made \$181.59.Our Raley's Something Extra Cards made \$72.88 in January 2017. We receive money from Food Maxx every month and from Raley's once every three months.

There is no card at Food Maxx any longer. As soon as the clerk starts to scan your groceries just put the church phone number (530) 534-9455 in the key pad and touch the green button. If you have any problem ask the clerk to help you. When you get your receipt from the clerk you will see how much went to the scrip which is our Food Maxx Share Cards. At Raley's there is still a Something Extra Card. Just scan your card. If you don't have a card ask for a card the next time you shop at Raley's. With the Raley's card you are required to designate how much you want to come back to our church. You can do this on your own computer at home. If you don't have a computer or if you have trouble setting this up ask Jeremy Buis to help. Jeremy will be glad to help you.

Put the Food Maxx and Raley's cards together and we have made \$254.47 so far this year. Please keep using your share cards when you go shopping for groceries. What an easy way to help your church budget.

thank you John S. Fowler Chairman Finance Committee Church Treasurer

#### ED EWALT – A little history about Dinner at Six

Ginger and I joined the church shortly after moving to Oroville in 1987. Our then Pastor, Karen McClintock, visited us in our home and brought a copy of the *Golden Feather* with her. She was explaining the various activities of the Church and mentioned that they had just lost the cook for this wonderful new program called Dinner at Six.

Sally Casner was the original cook but had to leave due to a new full-time job. At that time there were around 15 diners and the clean-up was done by volunteers. I mentioned that I did a lot of cooking at home and for guests and maybe I could do it. Karen was so surprised, she practically jumped off the couch.

I started cooking Sept. 1987 and did all the shopping and cooking. Ginger helped pull it all together at the end. Marguerite and Howard Standefer were our original table setters. Genevieve Heath helped at the start too.

There were about 300 people in the congregation then. The attendance for the dinners stayed about the same the first year, then began to increase until we were feeding about 40 people for several years. We kept the price at \$2.00 until 1990, then \$2.50 for a couple of years, then \$4.00 from about 1998 until this year, \$5.00.

Ted Grainger came on the scene about 4 years ago by encouraging me to buy warming and serving equipment, much of which he donated. He greatly improved presentation.

As time went by, I kept expanding the menu. Attendance increased during the last 4 or 5 years to an average of about 60 to 70 in 2000-2002.

Ted and I were beginning to do many food fund-raisers. Mother's day brunches, special brunches and dinners. Desserts were prepared in the earlier days by Edith Davis, then for many years by Joan (Wayes) Smith with frequent contributions by Jolene, Genevieve and some others.

When Ginger and I were out of town, dinners were prepared at first by Jim Webster. During the last 3 years Ted and Vivian Grainger prepared them.

Dorothy Wise was the "Shepherd" of Dinner at Six right from the beginning. She always made the announcements, collected the money and kept statistics so that we knew where we were and how we were contributing to the budget. In 1993 we began hiring dishwashers and Dorothy made sure they were always scheduled.

It should be mentioned that the program was not meant to be a revenue producing activity but evolved as such quite substantially.

Some of our later frequent helpers were Elaine Klein, John Voos and many others who would just drop by and help whenever needed. I feel privileged to have been able to do dinner at six for 16 years. I benefited greatly from the experience. The congregation was always totally supporting and complimentary beyond my expectations. - ED

A funny Story: I was preparing vanilla pudding. I made a "simulated" double boiler by placing a round bottom pan inside of a larger pan. The pans formed a tight seal and suddenly it blew up with a terrific bang and hurled pudding all over the kitchen and the inside pot just barely missed me as It went ballistic across the kitchen. What a cleaning job!

2009 - Thank you Linda Perry gathering this information.

Two members from each of the four school districts in the Orovile area were presented with The Ross-Harmon Educator of The Year Awards during the dinner. This is a great community outreach program that our church does each year for our community. Our sewer and property taxes were paid on time and I was able to pay our church bills that were due in April.
